## R.I.P. ANDY FRITZ • MUM#660

On December 17, Andy Fritz and his wife Jody were killed in a bus crash in Mexico (they were on a cruise and taking a bus to the Mayan ruins). Andy was a staple of the running community in the Puget Sound area of Washington. They lived in the South Sound (Olympia area). Andy was a father of two sons and a grandfather of two. He always had kind words of encouragement to everyone he met. Andy was an Environmental Science Instructor at a technical college in Tacoma. Jody was a assistant principal at a middle school in the area. Andy ran 133 marathons and 29 ultras earning 4 Maniac stars. Andy maintained a blog of his racing here:

Runners will enjoy a scenic, **USATF-certified** and **Boston Qualifying** course that passes through Point Defiance Park, looping through the historic North End neighborhood of Tacoma joining a flat stretch of the Scott Pierson Trail. Descending into downtown and looping back along Ruston Way, runners will be able to finish fast as they catch the views of the sound, the majestic Mount Rainier, Cascades and Olympic mountains.

New this year, participants will have an option of a fast and flat 5K race on Saturday, April 28<sup>th</sup> and an Ultra Marathon (50K) & Relay on Sunday, April 29<sup>th</sup> taking runners on an out-and-back across the Tacoma Narrows Bridge. ## CALLING ALL ENDURANCE RUNNERS!!

### Do You Want to Contribute to Research Studying the Personality and Mindsets of Endurance Runners?

As endurance runners, we all know that we are a “special breed”. But why is that? What is it about our personalities that makes us want to run (and run, and run)? What is it about our mindset that pushes us to keep going when others stop? The current study aims to answer those questions, but we need your help! You can help us by filling out a few surveys. Once you are done, you will be provided with your personality profiles and mindset evaluation. Best of all, you will know that you have contributed to our understanding of endurance runners!

If you are interested, please email Dr. Mauldin at the email address below and we will send you the links to the surveys.

## LARRY HITS 2000!

Larry Macon (MM#120) became the first person in North America to run 2,000 marathons when he completed his 2,000<sup>th</sup> at the Rock N Roll San Antonio Marathon on December 3.

His list of accomplishments is long and started on November 11, 1996 when he completed his first. In 2013, he set the Guinness World Record by running 239 marathons in one year. He also owns the record for the most times completing the 50 states. He has completed the states 20 times!

# DOUBLE AGENTS

Since the formation of the Half Fanatics in 2009, a runner who is a member of both clubs is called a Double Agent.

The Main Maniacs decided to create an asylum dedicated to those who are Double Agents. In order to be assigned a Double Agent number you must have your dues paid and updated in both the MM and HF. Your name and e-mail address must match both clubs. Each day a program will run to generate new members.

New gear is available for Double Agents as well as a whole new set of challenges as you climb peaks.

For more information visit the Maniacs web site.

## MANIAC ONGOING DISCOUNTS

Jeff "Boneman" Bollman (#1058)

With the new website comes a new way to identify race discounts. All discounts are now located on the race calendar page. Look for the gold coin following the race name, that signifies a discount. Click the coin and after a brief disclaimer reminding us that discounts are for members only, the code will be revealed along with the amount saved.

The programmers are working on lots of website items and one is a non-race related discount link. Until that's complete, you'll need to email Jeff Bollman ([jeff@marathonmaniacs.com](mailto:jeff@marathonmaniacs.com)) for the running warehouse discount.
