CALLING ALL ENDURANCE RUNNERS!!

Do You Want to Contribute to Research Studying the Personality and Mindsets of Endurance Runners?

As endurance runners, we all know that we are a “special breed”. But why is that? What is it about our personalities that makes us want to run (and run, and run)? What is it about our mindset that pushes us to keep going when others stop? The current study aims to answer those questions, but we need your help! You can help us by filling out a few surveys. Once you are done, you will be provided with your personality profiles and mindset evaluation. Best of all, you will know that you have contributed to our understanding of endurance runners!

If you are interested, please email Dr. Mauldin at the email address below and we will send you the links to the surveys.

For more information, contact Dr. Kristin Mauldin at kmauldin@calbaptist.edu

DOUBLE AGENTS

Since the formation of the Half Fanatics in 2009, a runner who is a member of both clubs is called a Double Agent.

The Main Maniacs decided to create an asylum dedicated to those who are Double Agents. In order to be assigned a Double Agent number you must have your dues paid and updated in both the MM and HF. Your name and e-mail address must match both clubs. Each day a program will run to generate new members.

New gear is available for Double Agents as well as a whole new set of challenges as you climb peaks.

For more information visit the Maniacs web site.

MANIAC ONGOING DISCOUNTS

Jeff "Boneman" Bollman (#1058)

With the new website comes a new way to identify race discounts. All discounts are now located on the race calendar page. Look for the gold coin following the race name, that signifies a discount. Click the coin and after a brief disclaimer reminding us that discounts are for members only, the code will be revealed along with the amount saved.

The programmers are working on lots of website items and one is a non-race related discount link. Until that's complete, you'll need to email Jeff Bollman (jeff@marathonmaniacs.com) for the running warehouse discount.
